Dear Sir/Madam,

TRAINING WORKSHOP: MASTERING FIDIC CONTRACTS MANAGEMENT AND ADMINISTRATION

Ambiance Consulting Group (ACG) has organized a 2-day training workshop for professionals involved in procurement, management and execution of construction projects using FIDIC forms of Contract. This training has been organized to respond to the growing use of FIDIC forms of Contract especially on works contracts financed by Multilateral Banks and other development partners.

ACG is, therefore, inviting infrastructure Project Managers, Commercial Managers, FIDIC Contract Administrators, Employer's Representatives, Consulting Engineers, Procurement Officers, Site Engineers and Claims Consultants to attend this international Course on Mastering FIDIC Contracts Management and Administration which will focus on FIDIC Red and Yellow Books 2017 as reprinted in 2022.
